

Welcome to Fallon Health.

Fallon Health is a not-for-profit health care services organization that has been improving health and inspiring hope for more than 45 years. As the first health plan in the country to offer a Medicare Advantage plan, we're committed to providing care and coverage that goes further.

We build our products and benefits to make sure that you receive the care you need and deserve.

Massachusetts is our home, and our team is local. When you call us, you'll speak with someone who knows, and serves, this community. We believe that health care is personal and that you should be able to talk to a real person—not a computer. Because we want you to get the service you need, when you need it.

care.
It's what we believe in.

The Benefit Bank

Pay for dental care, eyewear, fitness memberships, and hearing aids.

The Benefit Bank card is included with all of our Orange, Green, and Blue plans. Fallon Health preloads money onto your card and you choose how to use it. Pay a portion—or the full cost—of an eligible item, or buy a combination of items. It's your card, and your choice how to use it.

For example, if you need a filling and see a dentist in our network, you can use your Benefit Bank to cover your copay, and have money left on the card to pay for something else. If you see an out-of-network dentist, you can use your Benefit Bank card to pay for the cost of the filling.

The amount we load onto your Benefit Bank card varies depending on the plan you choose. Allowances range from \$250 to \$1,000.

Plus, if you join our Green or Orange plans, you get extra money to buy health care products. You'll get either \$255 or \$275—depending on your plan—that you can use to shop at NationsOTC, by mail, online, or by phone.
