Fallon Community Health Plan, Inc.

Schedule of Benefits

This Schedule of Benefits is part of your
Fallon Health Direct Care *Member Handbook/Evidence of Coverage*.
It describes your costs for health care.

This Schedule of Benefits shows your copayments and coinsurance for the covered services outlined in the Direct Care *Member Handbook/Evidence of Coverage*. It also outlines any of your benefits that differ from those shown in the *Member Handbook/Evidence of Coverage*. The information in this document replaces any information in your *Member Handbook/Evidence of Coverage* that conflicts with it. If you have any questions about your benefits, please call Customer Service at 1-800-868-5200 (TRS 711).

This health plan **meets Minimum Creditable Coverage standards** and **will satisfy** the individual mandate that you have health insurance.

MASSACHUSETTS REQUIREMENT TO PURCHASE HEALTH INSURANCE:

As of January 1, 2009 the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years of age and older, must have health coverage that meets the Minimum Creditable Coverage standards set by the Commonwealth Health Insurance Connector, unless waived from the health insurance requirement based on affordability or individual hardship. For more information, call the Connector at 1-877-MA-ENROLL or visit the Connector website (www.mahealthconnector.org).

This health plan **meets Minimum Creditable Coverage standards** that are effective January 1, 2021 as part of the Massachusetts Health Care Reform Law. If you purchase this plan, you **will satisfy** the statutory requirement that you have health insurance meeting these standards.

THIS DISCLOSURE IS FOR MINIMUM CREDITABLE COVERAGE STANDARDS THAT ARE EFFECTIVE JANUARY 1, 2021. BECAUSE THESE STANDARDS MAY CHANGE, REVIEW YOUR HEALTH PLAN MATERIAL EACH YEAR TO DETERMINE WHETHER YOUR PLAN MEETS THE LATEST STANDARDS.

If you have questions about this notice, you may contact the Division of Insurance by calling (617) 521-7794 or visiting its website at www.mass.gov/doi.

The following apply to your *Member Handbook/Evidence of Coverage*:

Deductible

Your deductible is $2,000 per member/ $4,000 per family per benefit period for certain services. Each member must meet the per-member deductible amount, unless the family deductible applies. The family deductible is considered met when any combination of members in a family reaches the family deductible amount. No individual family member will pay more than the per-member deductible in a benefit period. After you have met your deductible, some services will be covered in full by the plan. For other services, you will be responsible for a copayment or coinsurance when you receive these services. Your costs for covered services are described in this Schedule of Benefits; for detailed information on covered services and any exclusions or limitations that apply, we recommend that you refer to the *Member Handbook/Evidence of Coverage*.

Any deductible amounts paid during the last three months of the benefit period may be applied to your deductible for the next benefit period—we call this the “deductible carryover.” In order for a deductible carryover to apply, the member must have had continuous coverage under the plan through the same employer group at the time the charges for the prior benefit period were incurred. After you receive services, we will send you a letter indicating the amount that has been applied to your deductible.

Out-of-pocket maximum

There is a limit to your out-of-pocket costs each benefit period. This is called your out-of-pocket maximum. The out-of-pocket maximum includes your deductible, coinsurance and copayments you pay. It does not include your plan premium. **Your out-of-pocket maximum is $8,550 per member or $17,100 per family**. Each member must meet the per-member out-of-pocket maximum, unless the family out-of-pocket maximum applies. The family out-of-pocket maximum is considered met when any combination of members in a family reaches the family out-of-pocket maximum. Please note that once any one member in a family accumulates **$8,550** in out-of-pocket costs, that family member's out-of-pocket maximum is considered met, and that family member will have no additional out-of-pocket costs for the remainder of the benefit period.

Domestic partner coverage

You may include a domestic partner and his/her dependents under your family coverage. A domestic partner is defined as a partner of the same or opposite sex whom you have registered with your employer for eligibility for benefits, and have included under your family coverage for health insurance.

It Fits! ™ benefit

Your contract includes coverage for services provided under the It Fits! ™ program to a maximum of $150.

SmartShopper program

Your contract includes coverage for services provided under the SmartShopper program. Please go to the Fallon Health website at www.fallonhealth.org and visit the member portal for details.
