

Community Care Connector High Silver

Benefit Summary—Benefits effective January 1, 2024

The Fallon Health difference

Community Care is a Limited Provider Network. With Community Care Connector High Silver, you get everything you need to live a healthy life. This plan features comprehensive medical benefits for lower monthly premiums and slightly higher out-of-pocket expenses compared to our other plans. Your monthly premiums are reduced further through the use of an annual deductible for certain services. Plus, you get:

- **A fitness reimbursement** of up to \$150 that can be used for gym memberships at the gym of your choice with no limitations, streaming fitness programs, Peloton subscriptions, school and town sports fees, home fitness equipment, exercise classes, ski lift tickets, and more!
- **\$0 copayments for routine physical exams** and other preventive services, including mammograms, cholesterol screenings and immunizations.
- **\$0 copayments for routine annual eye exams.**
- **Pedi-Dental:** dental benefits for members under age 19 included.
- **Pedi-Glasses:** One designated set, once per calendar year.
- **Telehealth:** This plan covers certain services delivered via telehealth by plan providers. Members also get 24/7 access to a national network of U.S. board-certified doctors from an approved telehealth vendor to discuss non-emergency conditions by phone, mobile device or online.

How to receive care:

Members have access to network benefits only from the providers in Community Care. Please consult

the Fallon Health Community Care provider directory; a paper copy can be requested by calling Customer Service at 1-800-868-5200, or visit the provider search tool at fallonhealth.org to determine which providers are included in Community Care.

Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with Fallon to provide or arrange most of your care. As a member of Community Care Connector High Silver you must select a PCP. To do this, just complete the section on your Fallon Health membership enrollment form. If you need help choosing a PCP, please visit the “Find a Doctor” tool on fallonhealth.org or call Customer Service.

Obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the Community Care network: routine obstetrics/gynecology care, screening eye exams and behavioral health services. For more information on referral procedures for specialty services, consult your Community Care Member Handbook/Evidence of Coverage.

Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your Community Care Member Handbook/Evidence of Coverage.

Plan specifics

Benefit period

The benefit period, sometimes referred to as a “benefit year,” is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.

Varies by account

Deductible

A deductible is the amount of allowed charges you pay per benefit period before payment is made by the plan for certain covered services. The amount that is put toward your deductible is calculated based on the allowed charge or the provider’s actual charge— whichever is less.

\$2,000 individual
\$4,000 family

Embedded deductible

Please note that once any one member in a family accumulates \$2,000 of services that are subject to the family deductible, that individual member’s deductible is considered met, and that family member will receive benefits for covered services less any applicable copayments.

\$2,000

Deductible carryover

Any deductible amount that is incurred by the member for services rendered during the last three months of the benefit period will be applied toward the deductible for the next benefit period. Deductible amounts are incurred as of the date of the service.

Included

Out-of-pocket maximum

The out-of-pocket maximum is the total amount of deductible, coinsurance and copayments you are responsible for in a benefit period. The out-of-pocket maximum does not include your premium charge or any amounts you pay for services that are not covered by the plan.

\$9,450 individual
\$18,900 family

Benefits

Your cost

Office

Routine physical exams (according to MHQP* preventive guidelines)

Questions?

If you have any questions, please contact Fallon Health Customer Service at 1-800-868-5200 (TTY users, please call TRS Relay 711), or visit our website at fallonhealth.org.

 This health plan meets minimum creditable coverage standards and will satisfy the individual mandate that you have health insurance. As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years and older, must have health coverage that meets the minimum creditable coverage standards set by the Commonwealth Health Insurance Connector.

Benefits may vary by employer group.

Noom® products such as Noom Med and weight loss medications are not eligible for reimbursement.

WW® WeightWatchers products such as weight loss medications are not eligible for reimbursement.

WW® WeightWatchers is a registered trademark of Weight Watchers International, Inc.
