D. Background Information about NaviCare's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** NaviCare and have agreed to provide prescription drugs to you as a member of the plan. Please contact NaviCare Enrollee Services at the number listed at the bottom of this page or your Navigator for assistance.

We also list pharmacies that are in our network but are outside our service area in which you live. You may also fill your prescriptions at these pharmacies. Please contact NaviCare at 1-877-700-6996 (TRS 711), 8 a.m.-8 p.m., Monday-Friday (Oct. 1-March 31, seven days a week), for additional information.

NaviCare members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the prescription.
- Read the NaviCare Evidence of Coverage for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about NaviCare network pharmacies in your area, please visit our website at fallonhealth.org/navicare or call Enrollee Services at 1-877-700-6996 (TRS 711), 8 a.m.-8 p.m., Monday-Friday. (Oct. 1-March 31, seven days a week.) The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the **Evidence of Coverage** and NaviCare's **List of Covered Drugs**. You can access the **List of Covered Drugs** online at fallonhealth.org/navicare-formulary.

---

If you have questions, please call NaviCare at 1-877-700-6996 (TRS 711), 8 a.m.-8 p.m., Monday-Friday (Oct. 1-March 31, seven days a week). The call is free. For more information, visit fallonhealth.org/navicare.
D1. Types of pharmacies in NaviCare's network

Along with retail pharmacies, your plan's network of pharmacies includes:

• Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.

• Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.

• Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue going to the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

• Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home.

• 100-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs.

If you have questions, please call NaviCare at 1-877-700-6996 (TRS 711), 8 a.m.–8 p.m., Monday-Friday (Oct. 1-March 31, seven days a week). The call is free. For more information, visit fallonhealth.org/navicare.
E. NaviCare's List of Network Pharmacies

This part of the Directory includes a list of NaviCare's network pharmacies that participate in and accept NaviCare. If you are looking for pharmacies, check the table of contents at the beginning of this book for the specific type of pharmacy that you need (i.e., chain, retail, or mail-order pharmacy). Go to that section to see pharmacies that are listed by county, then by town and then alphabetical order. You can go to any of the pharmacies in our network.

If you have questions, please call NaviCare at 1-877-700-6996 (TRS 711), 8 a.m.-8 p.m., Monday-Friday (Oct. 1-March 31, seven days a week). The call is free. For more information, visit fallonhealth.org/navicare.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Pharmacies require your consent before shipping or delivering any prescriptions you do not personally initiate.

You also have the choice to sign up for automated mail-order delivery. Typically, you should expect to get your prescription drugs within 10 calendar days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-844-657-0494 (TRS 711). To learn more about mail-order pharmacies, see Chapter 5 of the Evidence of Coverage.
